Key Equipment Finance bases Head of Int'nl Ops in UK **Posted 28/10/2007 @ 16:01:56**

Key Equipment Finance has announced the appointment of John Evans to executive vice president and managing director of international operations. In this role, Evans will oversee all of Key Equipment Finance's activities in Europe, Canada and Asia Pacific, with a focus on streamlining the company's technologies and processes across these regions to give clients the full breadth of products and services.

With the new position, Evans will relocate in early 2008 to the United Kingdom to be based out of the company's Ascot office.

Evans joined Key Equipment Finance as European portfolio manager in the United Kingdom in 1997 and was named vice president, European commercial operations in 2000. He accepted an expatriate assignment in 2002 as senior vice president, global finance and treasury, at Key Equipment Finance's worldwide headquarters in Superior, Colorado.
